

# Transactions

With Freedom mobile, you can view transaction history and see transaction information. You can also access these transactions from the app:

- Mobile check deposit

Mobile check deposit is unavailable if your financial institution does not support remote check deposit.

- Account transfers

You can view these transaction details in Freedom mobile:

- Location and contact information for transactions made
- Transaction tags with preset or custom categories
- Notes
- Images
- History of similar transactions

## Viewing Your Transaction History

1. Open the menu and tap **Accounts**.

You can also access the **Accounts** screen from the **Dashboard**.

2. Tap an account.
3. Tap **Transactions**.
4. Review transactions as a whole or tap a transaction for more details.

## Adding an Image to a Transaction

Want to keep a close eye on your transactions? Use the image feature to keep a visual record of receipts and other information.

1. Open the menu, tap **Accounts**, and then tap **Transactions**.
2. Tap a transaction, and then tap **No Images** if Android or **Attach Image** if iOS.
3. Choose the appropriate device and follow the corresponding steps.

## Tagging A Transaction

Use transaction tags to assign categories and locate your transactions quickly.

1. Open the menu, tap **Accounts**, and tap an account.
2. Tap **Transactions**, and then tap a transaction.  
The **Details** screen appears.
3. If Android tap **No Tags**. If iOS, tap **Add Tags**.

4. Tap **Add Tag**.
5. Complete the appropriate action.
  - Enter a new tag.
  - Select from the list of previously created tags.
6. Tap **Done**.
7. Choose how you want to apply your tag.
  - **Only This Transaction**
  - **All Similar Transactions**

Freedom mobile chooses similar transactions by merchant name. After you create a tag and select **All Similar Transactions**, future transactions with the same merchant will automatically show the tag you created.
