## Incoming Wire Transfer Instructions

This is a generic instruction sheet created by the credit union as a convenience to our members. Please note that you may be required to complete a separate form for the sending financial institution.

**Instructions:** Contact the sending financial institution and give them the following information for sending funds.

Wire to: Freedom Federal Credit Union

Short Name & Address: Freedom FCU

8213 Hoadley Rd, Building E 5002

Gunpowder, MD 21010

Routing #: 255077299

Credit to: \_\_\_\_\_  
*Member's Name*

\_\_\_\_\_  checking  saving  
*Member's Account Number*

\*Note: For incoming foreign wire transfers, Freedom FCU does not have a SWIFT code, IBAN, or other international routing code, nor do we have a correspondent bank. You can wire funds directly to your Freedom Federal Credit Union account using our ABA routing number: 255077299. International financial institutions will have a US corresponding bank that will transfer the funds to Freedom FCU.

\*\*Incoming wire fee applies. Visit our website for a copy of our fees and charge schedule.
